

May 2025

A Cairde,

Tá áthas an domhain orainn go mbeidh sibh in ár dteannta le haigheadh na laethanta atá romhainn. Tá súil againn go mbainfidh sibh sult agus taitneamh as. Go minih do off an comhdháil 2024:

The Wexford branch warmly welcomes you to the sunny south east for the 106th INMO Annual Delegate Conference. The organising committee have been busy organising many aspects of this conference, which will hopefully ensure a beneficial and enjoyable conference will be had by all.

Wednesday night continues with the tradition of the annual quiz, which is always a fun start to the festivities. You will have the opportunity to dance into the night with a great DJ, so bring your dancing shoes.

Thursday night will bring us to our annual gala conference dinner. We have arranged a number of fantastic performers to entertain you during the evening. We will begin with "Stagefright" a local acapella choir of fabulous ladies during the drinks reception, followed by a group of musicians who will perform a number of songs and arias as an acknowledgement of Wexford's rich operatic culture (if you know you know!) during our dinner. The evening's entertainment will be completed with a performance from the band "Point Blank" followed by a DJ, which will ensure a great night's entertainment.

Raffle tickets will be on sale on Wednesday and Thursday. Details of the fabulous prizes and generous donors will be available at the committee table. Tickets will cost €5 each: 3 for €10. Proceeds will go to the Wexford Women's Refuge and INMO Benevolent Fund. Both are which are very deserving, and we ask that you support the raffle as generously as you can.

The services of both a hairdresser and a beautician will be available on Wednesday afternoon and all-day Thursday. Booking is recommended, and booking details will be available from the local committee stand.

Local Committee members and stand members: Emer Ward, Brid Jordan Murphy, Tim Rees, Louise Keating, Grainne McAuliffe, Trish Whitty, Shane Rogers, Eithne O Sullivan, Susan Ryan.

Look out for people wearing some Purple and Gold on their person! We hope you enjoy your time in the sunshine capital of Ireland.

Wexford Branch.
