- To negotiate, both locally and regionally, with employers on all relevant matters affecting nursing/midwifery grades.
- Under supervision and in conjunction with the Assistant Director of Industrial Relations, to represent the Organisation at, and present claims to, the Workplace Relations Commission, Adjudicators, Ad-Hoc Arbitration and the Labour Court on all issues unresolved through direct local negotiations.
- Maintain, and constantly update, a sound working knowledge of labour legislation, legal aspects of nursing/midwifery practice and the complete range of terms and conditions applicable to nursing/midwifery grades.
- To assist in organising and, where necessary, participate in regional meetings which form part of any national campaign being undertaken by the Organisation.
- To co-ordinate and advise local dispute committees in any dispute situation.

C. Assist the regional team with the training of local Nurse/Midwife Representatives and Branch Officers in I.R / Professional matters. To liaise with Branch Officers and Nurse/Midwife Representatives to ensure the policies of the Organisation are understood and carried out effectively.

- To assist developing, through Branches, Nurse and Midwife Representatives in all workplaces.
- To assist in developing, in consultation with the Assistant Director of Industrial Relations, Deputy General Secretary, Information and Research Executive (IR) and the Professional Development Centre, relevant and focused training programmes for local Nurse/Midwife Representatives and Branch Officers.
- To assist, on an ongoing basis, in the development and delivery of focused advanced training programmes for experienced representatives who you will have selected as willing to work independently in their workplace.
- To ensure widespread distribution and comprehension of, and adherence to, organisational policy as determined by the Annual Delegate Conference and the Executive Council.

D. To contribute to the effective development of the Organisation's I.R. / Professional / Educational information systems and to maintain close internal working relations with the other functional divisions of the Organisation.

- To actively participate in, and contribute to, the development of the Organisation's information systems through the use of information technology.
- To liaise closely with all elements of the Organisation, i.e. the Professional Development Centre and the Education and Research Department, in order to ensure members maximum awareness of the full range of services offered by the Organisation.
- To attend, and actively participate in, ongoing team meetings, regionally and nationally, of all I.R. and other staff to facilitate the exchange and update of knowledge with regard to regional and national developments.
- To develop and maintain close liaison with the Information Officer thereby ensuring widest possible circulation of relevant developments.

E. Under guidance and in conjunction with the Media Strategy, to represent, and promote, the interests of the Organisation on issues of public interest through local media promotions and interviews. To assist with the further development and co-ordination of the Organisation's strong media presence and high visibility, on the nursing/midwifery professions and health and social policy issues, in your region.

- To develop and maintain a high media profile for the Organisation within your regional area through close liaison with the Organisation's Media Relations Officer/Department, under the guidance of Assistant Director of Industrial Relations.
- To represent the Organisation locally, regionally and, where necessary, nationally in the media in conjunction with the Organisation's Media Relations Officer/Department.
- To assist in the development, from within the Branch Officers and Nurse/Midwife Representatives, members who would be willing, through the media, to highlight the Organisations policies on all nursing/midwifery, health and social issues.
- To develop a cordial, and mutually respectful, relationship with other trade unions. Where appropriate to work in unison with health service trade unions in the interests of nurses and midwives and the INMO membership.
- To develop strong working relationships with relevant local correspondents/journalists in both print and radio/TV media.

Miscellaneous Duties
