SafetyNet Primary Care

SafetyNet Primary Care is a Medical Charity providing services to those in our society most in need of health care but without access to appropriate care. SafetyNet innovatively removes barriers by bringing healthcare to homeless people and vulnerable groups in hostels, food halls and drop-in services and by providing a mobile health service to rough sleepers. SafetyNet has developed a significant Migrant Health service providing health assessment screening and GP clinics to vulnerable migrants, refugees and asylum seekers. We advocate for an inclusive health system and work towards integration of our patient's health care to the mainstream services.

SafetyNet Primary Care is an equal opportunities employer.

General Job Description

The SafetyNet Migrant Health Team is expanding to provide GP and Nurse care for International Protection Applicants in hotel accommodation around Dublin. The **Medical Administrators** will be primarily working with these Protection Applicant GP clinics. The role is key to the development and execution of the SafetyNet Health Care Services.
