

## Careers Day for Nursing & Midwifery

Dr Steevens' Hospital  
Dublin 8

**31<sup>st</sup> March 2017 – 10am to 4pm (registration 09.30-10.00am)**

This is an open event for those interested in careers in nursing and midwifery in the Irish Public Health Services. Health service employers are recruiting nurses and midwives from all disciplines on an on-going basis. This is an opportunity to learn more about employers in the Irish health system and explore possible career and professional development opportunities around the country. There will be a range of speakers and representatives from Hospital Groups, Community Health Organisations, the Office of the Chief Nursing Officer and the Office for Nursing and Midwifery Services will be present to provide information and answer any queries you may have. So whether you are a nurse or a midwife working abroad thinking about returning home, a professional who wishes to return to practice or newly qualified why not attend this event and deepen your knowledge about the Irish health service and opportunities for nursing and midwifery.

This will be the second in a series of career day events for nurses and midwives throughout 2017. Please bring along copies of your CV and proof of Nursing and Midwifery Board of Ireland (NMBI) Registration in the event that you wish to apply and be interviewed on the day for any vacancies on offer. You can also get information on NMBI Registration and return to practice. You may register your interest in attending by emailing: [Caroline.Smith@hse.ie](mailto:Caroline.Smith@hse.ie)

(If you cannot attend on the day, but are interested in future nursing or midwifery career events, please contact the above email address and we will contact you with event details)
