**AN BORD ALTRANAIS -
STATEMENT ON INDUSTRIAL ACTION BY NURSES & MIDWIVES**

Dear Colleague

I refer to previous correspondence, in relation to this matter, and, specifically, the demand, by the INO, for An Bord Altranais to give specific guidance and direction, to individual nurses/midwives, who have their concerns, regarding staffing levels, ignored.

I now attach, for your attention and that of members in your workplace, the following:

- copy of the most recent letter, from An Bord Altranais, dated 23rd June 2009, which is a reply to my letter of 19th June 2009, previously circulated; and
- the INO's reply, to this correspondence from An Bord Altranais, which continues to demand greater clarity, from An Bord, on this critical issue.

As previously stated this matter will be further discussed by the INO's Executive Council, at its meeting on 13th and 14th July 2009, and members will be updated on any and all developments on this very important issue.

As always I would be grateful if you would bring this notice, together with the attached correspondence, to the attention of members in your workplace.

With kind regards and best wishes.

Yours sincerely

LIAM DORAN
General Secretary
