THE ROLE

What we do?

A Care Coordinator role is to support staff and management team, to include an element of training and supervision. This position involves leading a team who support individuals in all aspects of their lives, supporting the Service Manager /CNM1 to effectively manage services delivered to individuals in Cheshire Ireland Services

How we work.

The Cheshire Community Living Service is based on clear principles of supporting people "one person at a time". As a Care Coordinator you will have responsibility for the assessment, planning, delivery and evaluation of care required to meet the physical, psychological and social needs of persons with physical and neurological disabilities.

What you will do.

The successful candidate will have the ability to coordinate and liaise with the multi-disciplinary team in response to identified needs of individuals receiving a Cheshire Ireland service. Actively contribute to improve the quality of care through implementation of Best Possible Health (BPH) and HIQA standards. Act as a clinical support resource and carry out clinical interventions where required.

SKILLS and EXPERIENCE

- In possession of a nursing qualification and registered with An Bord Altranais/NMBI
- A minimum of 12-months post qualification experience.
- Will hold a full clean driving licence and be willing to use their vehicle for work.
- Experience of working in a care delivery capacity, preferably within a disability service or community setting.
- Evidence based decision making skills.
- Mentoring and line management skills.
