RE: Industrial Action commencing on 30th of January 2019

Dear Colleagues

I trust this correspondence finds you well.

As you are aware, the INMO served notice of industrial action, notifying the HSE that nursing and midwifery members of the INMO employed by the HSE, all locations, HSE funded agencies (section 38) and voluntary hospitals, will engage in Industrial Action on the 30th January, 5th, 7th, 12th, 13th and 14th February 2019. The industrial action will take the form of 24-hour work stoppages.

Intellectual disability day services will be involved and closed on the 30th of January 2019.

Staff working within these services are asked to attend for picket duty as advised by their local IRO and strike committee.

Residential Intellectual Disability services will not be involved in the industrial action on 30th of January 2019 but will be involved as part of the escalation of the dispute on the 5th of February and subsequent dates of the dispute.

You will receive further information at local level from your IRO and strike committee.

Thank you for your attention to the foregoing.

Your sincerely
