

## **Theatre Nurse - Merrion Fertility Clinic**

Merrion Fertility Clinic is a not-for-profit organisation affiliated to the National Maternity Hospital. We offer a wide range of **assisted reproductive services** ranging from ultrasound monitoring for ovulation to IVF and ICSI. Most recently the Clinic, in collaboration with the Irish Cancer Society, has launched the Childhood Cancer Fertility Project, a new ground-breaking initiative aimed at protecting the future fertility of children, adolescents and young adults undergoing cancer treatment.

As the Clinic continues to grow, we are now looking to add a dynamic nursing professional to our team.
