Brussels, 26 November 2018

Dear Youth network members,  
To all affiliates,

The EPSU Youth network together with the ETUC Youth Committee are launching a survey to all under 35 asking young people in Europe to share their thoughts on being an active member of society and working life in the future. The survey is in [French](#), [German](#), [Italian](#), [Spanish](#), [Swedish](#), [Czech](#), [Romanian](#) and [English](#). It is intended to any Young person under 35.

The 10-minute survey will bring together experiences and visions from youth and contribute to an upcoming study on how today's young people see their opportunities in society and what this could mean for working life in the future. Please click on the language to go to the survey. You can access it also [here](#).

We would be very grateful if you could distribute amongst your network and publish it on social media and your trade union website with the picture attached. We understand that the survey is not in all languages but we have tried to reach as much as possible. Also if you use twitter please tag the newly created EPSU Youth account [@EpsUyouth](#) and do not hesitate to follow us on!

Should you have any questions, contact the project team by emailing Anna Malinen, coordinator for the survey, at [anna.malinen@jhl.fi](mailto:anna.malinen@jhl.fi)

Thank you for your support and collaboration!

Yours

Jan Willem Goudriaan
